SIGNATURE FEATURES

WAVE-TOUCH® CONTROLS
One simple touch on your microwave and the control panel activates, showing the virtually endless cooking options. After you make your choices, all but the option selected will fade away, returning to an elegant display.

CONVECTION COOKING
Bake and brown your favorite foods with the convenience of a microwave and the performance of an oven — perfect for cooking everything for your family or gatherings.

MULTI-STAGE COOKING
Conveniently program your recipes that require multiple cooking stages for optimally prepared dishes.

EASY-TO-CLEAN INTERIORS
Premium non-stick coating for easy cleanup.

¹Eligibility based on product registration with Electrolux North America within 60 days of purchase. Products must have been purchased on or after July 1, 2013. Coverage includes material parts for 3 years and labor for 1 year.

1 For use on adequately sized 120V dedicated circuit having 2-wire service with a separate ground wire. Appliance must be grounded for safe operation.

2 Approved to be used in combination with any Electrolux Electric Single Wall Oven and/or Warmer Drawer.

Specifications subject to change.
High standards of quality at Electrolux Home Products, Inc. mean we are constantly working to improve our products. We reserve the right to change specifications or discontinue models without notice.

**Note:** When used in combination with another Electrolux built-in product, a minimum clearance of 2 1/8” required from bottom of Built-In Microwave cutout to top edge of companion product’s faceplate, leaving a 2” visible gap between both product faceplates.

### 30” Built-In Microwave Specifications

- **Product Weight** – 116 Lbs.
- **Voltage Rating** – 120V/60 Hz/15 Amps
- **Connected Load (kW Rating) @ 120 Volts = 1.6kW**
  (For use on adequately wired 120V, dedicated circuit having 2-wire service with a separate ground wire. Appliance must be grounded for safe operation.)
- **Amps @ 120 Volts = 13.7 Amps**
- Always consult local and national electric codes.
- **Allow at least 15” clearance for oven door depth when open.**
- **Minimum required distance from floor is 36”**.
- **Minimum 20-1/8” deep oven cutout dimension is critical for proper installation for oven and faceplate to fit flush against cabinet front.**
- **Full oven base of solid plywood or similar material required, capable of supporting 150 Lbs.**
- **Base must be level and cabinet front must be square.**
- **Grounded outlet should NOT be located in shaded area UNLESS cabinet depth is greater than 21-1/8”**.
- Built-In Microwave is NOT approved to be used under counter.
- Built-In Microwave can be built in alone or is approved to be used in combination with any Electrolux Electric Single Wall Oven and / or Warmer Drawer. (Refer to model-specific Combination Installation Specification pages on web.)
- When used in combination with another Electrolux built-in product, a minimum clearance of 2-1/8” required from bottom of Built-In Microwave cutout to top edge of companion product’s faceplate, leaving a 2” visible gap between both product faceplates.

**Note:** For planning purposes only. Refer to Product Installation Guide on the web at electroluxappliances.com for detailed instructions.
